

Chapel Kids is a program designed for children from K - 5th grade. This is a time where kids can learn more about God through reading God's Word, interaction with each other, games, crafts, etc. We meet most Sundays during the service. Children are dismissed after a time of worship and then go downstairs with the teacher and assistant.

All of our volunteers are vetted and are available to answer any questions you may have about the program. We only ask our volunteers to give 1 Sunday of each month, so there are some Sundays that the kid's stay upstairs during the service, when that occurs, there are folders available with activities for them to use if desired.

We are always looking for volunteers who enjoy teaching or simply being available to assist with the kid's program.

NURSERY

Our Nursery/Toddler Room is downstairs. This area is available for parents to use for their infants &/or toddlers. It is a place where children can be children & they can play or enjoy creative activities like building a train track.

There are books available, CD's with fun songs, puzzles, and more for your child to interact with. There is also a playpen, changing table, rocking chair & high chair available for your infant.

We do not have any volunteers at this time to stay with your infant or toddler, but it is available for parents to use at any time.

If you are interested in volunteering with this age group we would love to hear from you! Please contact Amy Miller to find out more information or to see how you can help.
